

Out'n'About

for 8-12 year olds

Please note, trips are subject to minimum numbers in order to run

Tuesday
15 February

Kidspace | Extra Cost £15.50 | Limited Spaces

Kidspace is a magical playzone unlike any other. Alongside the ginormous soft play, there's a soft ball arena, Go Karts, climbing walls and slides galore - including the infamous 'Black Hole Slide'.

Wednesday
16 February

The Science Museum | Extra Cost £9

Join us as we head off on a London adventure, taking the train up to Waterloo. We'll explore everything the Science Museum has to offer, and if we have time, take on a London based spy mission trail!

Thursday
17 February

Swimming and Cinema | Extra Cost £19

We'll be spending the day in Guildford where we'll be making a splash at the ginormous water park at the spectrum in the morning - and head over to the Odeon to watch the latest kids movie in the afternoon (possibly The Adams Family 2). Hopefully we'll be able to keep our eyes open!
