

Tuesday: A Crazy Jungle Island Golfing Adventure

With thick bamboo, waterfalls and a lagoon, we'll be fully immersed into a Jungle Island adventure as we jump roaring rapids, navigate caves and waterfalls, and avoid the angry Gorilla all while trying to get a hole in one! As we work our way round the 18 hole course, we'll need to keep an eye out for all the wild animals - there should be Giraffes, Hippo's, Crocodiles, Elephants and more! The action never stops on Jungle Island and once we're done, we'll take it over to Cheam as we hit up Cheam Park Playground to have lunch and then go wild on the Zip Wire and the many climbing apparatus they have there.

Wednesday: Monkey Around In The Treetops

Extra cost:
£16.50

Get into the Jungle spirit and channel your inner Monkey! We'll be living life adventurously and taking on a maze of intricate crossings, wobbly bridges and brilliant zip wires way up high at the fantastic treetop adventure in Chessington World of Adventures. Then, with our feet firmly back on the ground, we'll swing back to Clubland where we'll throw on our aprons and get baking, to make and eat some yummy Monkey biscuits. As we'll be back at base for the afternoon, the children will be able to monkey around on the bouncy castle, enjoy the weekly Clubland Summer Disco and join in a water fight if the weather is nice!

Thursday: An Incredible Day Out To The Rainforest

Discover the wonders of the rainforest with us as we head out on a day trip to an actual rainforest in the UK! The Living Rainforest is home to over 850 types of rainforest plants and animals (including rare and endangered species) and we'll get to experience the sights, sounds and smells of a lush tropical rainforest as we wander the three enormous glasshouses. As we walk, we'll be walking through the rainforest, with birds flying above and animals wandering at our feet. Our aim for the day is to spot the resident Sloth who has free reign of the rainforest!

Extra cost:
£9
